

# She Is Gone

## The Vines

On my way to God  
All the way to nowhere  
Searchin' with a heart  
Ain't that hard to know it

She is  
She is gone

Wishin' on a star  
Lookin' for a meanin'  
Fate tore us apart  
Ain't no use pretendin'

She is  
She is gone

She is  
She is gone
