Illdisposed

[Verse 1: Mal Malik]I can tell that you
Really dont like me no more
Because we ain't fucking and fussing
And fighting no more
I Mean we dont
Even talk
I been missing ya calls
Its like...
You dont even know me at all..
Its like...
Do I ever even
Cross in ya thoughts
I Know I was a dog
And everyone has its
Day but dang...
I never thought
You'd take that
Pussy away from me
Girl bring it back
Cuz im goin crazy[Hook: Bobby V]I Just wanna

Ill take some of your love
(just a Piece
A little's enough
