

# These Flowers

[Sammy Kershaw](#)

I wanted to make a good impression on this date  
So I stopped off and picked these out myself  
But I hope you understand that this package in my hand  
Is actually meant for someone else  
These flowers ain't for you, they're for your momma  
Later on I got something for you too  
These flowers ain't for you, they're for you momma  
To thank her for havin'  
A good lookin' sweet young thing like you  
You don't have to ask, I admit that in my past  
I ain't been the type that mommas like  
But this time what I need is you forever lovin' me  
So I'm doing all I can to do things right  
These flowers ain't for you, they're for your momma  
Later on I got something for you too  
These flowers ain't for you, they're for you momma  
To thank her for havin' a girl of my sweet dreams  
A good lookin' sweet young thing like you  
You mean so much to me  
I'd do anything to get to you I want your family  
To all side up with me from the start  
When I ask you for your heart  
These flowers ain't for you, they're for your momma  
Later on I got something for you too  
These flowers ain't for you, they're for you momma  
To thank her for havin' a girl of my sweet dreams  
A good lookin' sweet young thing like you  
To thank her for havin' a girl of my sweet dreams  
A good lookin', heart stoppin', sweet young thing like you
