All Night Long

One Man Army

I First Met You
Way Back When I Knew
We Had Nothin' To Say
But It Was Alright Tonight
Where've You Gone Now?
I Hear You're Living Up Town
Runnin' Round Runnin' Away
All Night LongThe Two Of Us We Said
They Always Talk Too Much
Did You Hear Them?
Callin' Your Name
I Wanted So Much More
Than To Be A Martyr For A Dying Cause
When I Met You
When I First Met You
All Night Long...Gone
She's Packed Her Bags
The Note Reads "Dear Jon"
I'm Leaving Town Soon
Wish Me Well
Off I Go...Fuck You
Your Miserable Life Here And Us Too
All Night Long I'm Thinking
What's Went Wrong...It Was Alright
I Wanted So Much More
Than To Be A Martyr For A Dying Cause
When I Met You
When I First Met You
All Night Long...Gone
