

# Gods of War

## Def Leppard

Feelin' like it's all over  
Feelin' like there's no love  
Feelin' like it's not easy  
Breathin' life in the dust On a countdown to zero  
Take a ride on the nightmare machine  
There ain't gonna be heroes  
There ain't gonna be anything, oh Here it comes, here comes the night  
Here it comes, hell in the night  
Here it comes, here comes the night When we all fall down  
When we walk into silence  
When we shadow the sun  
When we surrender to violence, oh Then the damage is done  
Put away that gun  
I don't wanna be there  
I don't wanna be anywhere, oh Here it comes, here comes the night  
Here it comes, hell in the night  
Here it comes, here comes the night  
That's right We're fightin' for the Gods of war  
But what the hell we fightin' for?  
We're fightin' with the Gods of war but I'm a rebel  
And I ain't gonna fight no more, no way On a countdown to zero  
Take a ride on the nightmare machine  
There ain't gonna be heroes  
There ain't gonna be anything, no Here it comes, here comes the night  
Here it comes, hell in the night  
Here it comes, here comes the night  
Don't ya know that's right We're fightin' for the Gods of war  
But what the hell we fightin' for?  
We're fightin' with the Gods of war  
And I ain't gonna fight no more  
(Stop) Stop fightin' for the Gods of war  
(Stop fightin' for the Gods of war)  
Yeah what the hell we fightin' for?  
(What in the hell we fightin' for?)  
We're fightin' with the Gods of war Heavy
