Straight Line Sober

Blackjack Billy

The room gets to spinnin' when I'm lookin' at you
Smooth the way you move in them boots and them blue jeans
Losin' my cool when them hips go boom-boom
I'm down for the count that how you do me
Here comes me swayin' on over your way yeahYou go me fallin' all over
I can't walk a straight line sober
Yeah baby better bring it in closer
I can't walk a straight line sober
We got all night long bring it on
But your lips are strong
You better kiss me slower
Cause you got me fallin' all over
I can't walk, can't walk a straight line sober
You got me seesaw swingin' like a wreckin' ball
Reckon I'll throw you the keys we can leave whenever you want
And find somethin' worth gettin' into
I'm down for whatever as long as it's whatever with youYou go me fallin' all over
I can't walk a straight line sober
Yeah baby better bring it in closer
I can't walk a straight line sober
We got all night long bring it on
But your lips are strong
You better kiss me slower
Cause you got me fallin' all over
I can't walk, can't walk a straight line soberA straight line soberYou got me swayin' on over your way, yeah
You go me fallin' all over
I can't walk a straight line sober
Yeah baby better bring it in closer
I can't walk a straight line sober
We got all night long bring it on
But your lips are strong
You better kiss me slower
Cause you got me fallin' all over
I can't walk, can't walk a straight line soberA straight line soberI can't walk, can't walkCause you got me fallin' all over
I can't walk, can't walk a straight line sober
Cause you got me fallin' all over
I can't walk, can't walk a straight line sober
