## Masika Kalysha

I'm doing fine on my own rather be alone than to be blinded misguided I'm done with that role, been through worst than you, nothing left to prove ahhhhh I'm doing fine on my own, I wish that I had a time machine to go back to the day before you ruined me, I wish that I had a time machine to turn back the hands of time when you respected me ,and you go and you stay and your so yesterday but I know that you will never change ,and I don't even pray your so stuck in your ways it's okay it's okay it's okayyyyy ,I've been waiting 3 days 2 nights for you, you keep telling me that your coming home boy do whatever you wanna dooooo I'm thru ,I'm doing fine on my own rather be alone than to be blinded misguided I'm done with that role ,been through worst than you nothing left to prove ahhhhh ,I do my own shit on that grown shit oh yeah yeah yeah don't try to come around tryna break me down no mo, I'm doing fine on my own ,I'm doing fine on my own my own my own ,if I had a time machine I would go back before the time when you infected me ,if i had a time machine i would go back to the times when it was only me ,this reflection of me and what it use to be and I know that I'm the one to blame ,they say love comes with pain but I'm done with this game walk away walk away walk awayyyyyy ,I've been waiting 3 days 2 nights for you, you keep telling me that your coming home, boy do whatever you wanna do I'm thru ,I'm doing fine on my own rather be alone than to be blinded misguided I'm done with that role been through worst than you nothing left to prove ahhhhh ,I do my own shit on that grown shit oh yeah yeah yeah don't try to come around and brake me down no more, I'm doing fine on my own I'm doing fine on my own, my own my own my own.
