## Ricky Dillard

You're amazing (You're amazing)  
You're amazing (You're amazing)  
You're amazing (You're amazing)  
So Amazing (So amazing)  
You're amazing (You're amazing)  
You're amazing (You're amazing)  
You're amazing (You're amazing)  
So amazing (so amazing)  
You cause the sun  
The sun and Moon to shine  
I'm so glad You're mine  
Oh I'm glad to say You're mine

We stand (we stand)  
In awe Of You (In awe of You)  
So amazed (Amazed)  
In the things You do (In the things You do)  
Your Holy (You're Holy)  
And Worthy is the lamb (worthy is the lamb)  
Who was Slain (Who was slain)  
For me (for me)  
For me (for me)

No one Compares to you  
No one compares to you  
No one compares to you  
You're amazing (You're amazing)  
You're amazing (You're amazing)

Your amazing  
Your amazing  
Your amazing  
Your amazing  
Your amazing  
Your amazing  
Your amazing  
Your amazing
