## Paranormal

Shadow on my shoulder  
Someone's watching me  
Shadow on my shoulder  
A lost entity  
Subtle and silent  
A whisper on the wind  
Benevolent and quiet  
Uneasiness sets in  
Covert and controlling  
Random acts of fate  
Conscious yet consolling  
Opportunity's the bait  
Coincidence, cohesion  
Right time and place  
Spirit of believing  
In that mindspace  
Evidence can only be found within  
Feel the presence under your skin  
Shouldn't fear what you can't see  
What will be is supposed to be  
Let the spirit free  
Shadow on your shoulder  
Someone's watching you  
Shadow on your shoulder  
You can't believe it's true  
Subtle and silent  
A whisper on the wind  
Benevolent and quiet  
Uneasiness within  
Paranormal, paranormal  
Paranormal  
Paranormal, paranormal  
Paranormal  
Evidence can only be found within  
Feel the presence under your skin  
Shouldn't fear what you can't see  
What will be is supposed to be  
Let the spirit free
