Heart's On Fire

Driver

I can see you been walking
the edge to survive
You turn away from the river
that keeps you alive
All your life you been a dreamer
you're chasing the wind
You're blind to the way you should go
You don't want to play the schemer
If only you hear, there's nothing to fear
Hearts on fire
but you're living on the run
Your heart's on fire
gonna drive you to the SonAll this time you've been hungry
for fortune and fame
You realize you can't hide
from the power of the flame
Deep inside a true believer
you're caught in between
The Rock and the hardness of pride
Take the mask from the deceiver
emotions will lie, you'll never deny
Hearts on fire
but you're living on the run
Your heart's on fire
gonna drive you to the Son
