In a Glass House

Antietam

Looking through the window can you tell me what you see
You're sure you're really seeing what is meant to be a glass
A mirror to reflect what I conspire a vision, image I desireStanding on the ice believing all I'm searching for
Close your cloudy eyes and chase all that you did before
Standing on the ice believing all I'm searching for
Close your cloudy eyes and chase all that you did beforeLiving in a glass house shielding all that's meant for me
Can you clear the shade and can you tell me what you see?Shadow fills the light until the glass house becomes the night
Dark is gleaming or am I dreaming?
Running everywhere, seeing clearly when I dare
Is it today or is it your way and the moon must fall
Inspiration waits for your call for you to get a silhouetteNarrow the field aim in any direction
Do what I feel just to see my reflectionAny turn I know disappearing everywhere I go
I look to you for what I do
And only then I see that the glass house is just for me
And any time is never mineNarrow the field aim in any direction
Do what I feel just to see my reflectionShadow fills the light, until the glass house becomes night
Dark is gleaming or am I dreaming?
Running everywhere, seeing clearly when I dare
Is it today or is it your way and the moon must fall
Inspiration waits for your call for you to get a silhouette.
