Thank You

Sarah Darling

La da
La da
La daSome people say
Love is pain
But I know better
'Cause you
Have made
This heart
Light as a feather
Out of nowhere
Baby it's thereEvery time you walk in to the room
Butterflies dance and it's hard to move
Guess I never knew I could feel this way
When someone feels like Sunday morning
It just hits you without warning
But somehow you know you'll never be the same
'Cause you make me believe
And I want to thank you for loving meLa da
La da
La daSome people try
Their whole life
To find what we have found
Baby we're blessed
Charmed I guess
To be living this life now
It's a beautiful world
Just being your girlEvery time you walk in to the room
Butterflies dance and it's hard to move
Guess I never knew I could feel this way
When someone feels like Sunday morning
It just hits you without warning
But somehow you know you'll never be the same
'Cause you make me believe
And I want to thank you for loving meYeah yeahIt's a beautiful world
Just being your girlEvery time you walk in to the room
Butterflies dance and it's hard to move
Guess I never knew I could feel this way
When someone feels like Sunday morning
It just hits you without warning

But somehow you know you'll never be the same
'Cause you make me believe
And I want to thank you for loving meLa da
