

Goodbye

Inna

No one Cares
Nobody's wrong,
No one see I'm not so strong
Everytime I hope I'm dreaming...
I'm missing you...
I'm touching you
But you can't feel,
I'm scream at you
But you can't hear..
I just need to be around you,
I'm lost without you
You are so special,
So give me some passion
I need to tell you
I'm watching you.
Goodbye you all,
Goodbye my friends
So goodbye my baby
You ...my baby...
You ...my baby...
Goodbye you all,
Goodbye my friends
So goodbye my baby
You ...my baby...
You ...my baby...
I am crying for so long
I van't breath without your love
It's so wrong that I'm without you..
I'm missing you

I'm touching you
But you can't feel,
I'm scream at you
But you can't hear..
I just need to be around you,
I'm lost without you
You are so special,
So give me some passion
I need to tell you

I'm watching you.
Goodbye you all,
Goodbye my friends
So goodbye my baby
You ...my baby...
You ...my baby...
Goodbye you all,
Goodbye my friends
So goodbye my baby
You ...my baby...
You ...my baby...
Goodbye you all,
Goodbye my friends
So goodbye my baby
You ...my baby...
You ...my baby...
Goodbye you all,
Goodbye my fr
