

# Where Did You Sleep Last Night

## Leadbelly

My girl, my girl, don't lie to me  
Tell me where did you sleep last night  
In the pines, in the pines  
Where the sun never shine  
I would shiver the whole night through

My girl, my girl, where will you go  
I'm going where the cold wind blows  
In the pines, in the pines  
Where the sun never shine  
I would shiver the whole night through

My girl, my girl, don't lie to me  
Tell me where did you sleep last night  
In the pines, in the pines  
Where the sun never shine  
I would shiver the whole night through

My husband was a railroad man  
Killed a mile and a half from here  
His head was found in a drivers wheel  
And his body haven't  
Ever been found

My girl, my girl, where will you go  
I'm going where the cold wind blows  
You caused me to weep  
And you caused me to moan  
You caused me to leave my home
