If And

Valerie June

Some things in life
Happen too slow
Sometimes you don't
Know which way to goOne thing for sure
One thing that's real
If and you ain't lovin' your woman, then someone else will
If and you ain't lovin' your woman, then someone else willMen are born strong
Then broken down
Burdened at birth
Till six feet in the groundOne thing for sure
One thing that's true
If and you trust and believe in your man, he'll be good to you
If and you trust and believe in your man, he'll be good to youKids all grown up
Darn, it happened too fast
Parents gone broke
Money don't lastOne thing for sure
One thing that's fate
If and you don't show them you love them, it will be too late
If and you don't show them you love them, it will be too lateIf and you ain't lovin' your woman
If and you trust and believe in your man
And if and you don't show them you love them it will be too late
