Leave It All Up to Me

Screaming Females

I think I sworn a gun
As blinding as the sun
But I'm about to point it to the light
And fascinate the nightGod blessed you on the moon
The day I got too soon
That every dog and...
Turns to lifeI'm a believer hanging on your door
Leave it all up to me
Baby you're a murder
I'll never be your blood
Leave it all up to me
Our baby and our crib
Is when the engine spits
And you just run to end it...Now or forever they paid a priceI'm a believer hanging on your door
Leave it all up to me
Baby you're a murder
I'll never be your blood
Leave it all up to meI'll be out to find out where you are
...I'll be out to find the cureBut it's better always
To hand out the keys
And it's better always
I can let go
I'm a believer hanging on your door
Leave it all up to me
Baby you're a murder
I'll never be your blood
Leave it all up to me
