

Chemical Interference

DragonForce

Another night
Another inner fightThe demons callingMy soul is dark
But with a touch of lightThe whole world's changingI draw the line
My pleasure redefinedIt's now awakeningI feel the urge
Emotions on the vergeAND NOW ITS TIME TO
KILL
KILL
KILL
KILLThe speed of light
I feel the time is right
I've smashed all boundariesMy skull is crushed
Adrenaline is rushedTHE NIGHT HAS FOUND MEInfection spread
A spirit through my headTHE TIME IS COMINGI know the score
But I gotta have 'em allAND ALL MORE I COULD
KILL
KILL
KILL
KILLI am what I choose to be
I lose grip of reality
And I have nothing to atoneAll your morals formed in vein
And now my pleasure is my pain
BUT I'M GONNA MAKE IT ALL MY OWN
(own own)The sun is up
But I can't get enoughTHE SKIES THE LIMITI'm on the top
But I ain't gonna stopILL NEVER GIVE INIt's in my brain
It's driving me insaneHALLUCINATIONS"Always the same"
But I ain't gonna saveDESTRUCTION! I MUST
KILL
KILL
KILL
KILLI am what I choose to be
I lose grip of reality
And I have nothing to atoneAll your morals formed in vein
And now my pleasure is my pain
BUT I'M GONNA MAKE IT ALL MY OWN
(own own)I've seen the sun rise once again
I've lived my life and now I'm dead
Time to come down all on my own
(own)This is nothing new for me

This is my realitySO OPEN YOUR EYES
AND DON'T EVER HIDE AWAYI am what I choose to be
I lose grip of reality
And I have nothing to atoneAll your morals formed in vein
And now my pleasure is my pain
BUT I'M GONNA MAKE IT ALL MY OWN
(own own)OUT HERE ON MY OWN
