So hope to god he will answer your prayerCuz we don't take that no sir
Believe that no sir
Don't buy that, Don't do that, Don't play like that sir
Take a lesson from a girl
Be successful in her world
Don't ever try to fool herCuz we don't mess with them boys

Cuz we don't mess wit them boys
Oooo
We don't mess, we don't mess, we don't mess wit em'
Cuz we don't mess wit dem boys

But I just cant afford the time to get to know ya
So I guess im bout to call this a closure
