I Never Knew

Kristine Sa

I never knew a love like this before
I never knew a love like this beforeFor once in my life
I believed in my heart that I had it all
A love I can trust
That would never ever let me fallWhen suddenly my heart started feeling
Stares of love that were burning
Building walls, building walls
Closing all my doors to loveI never knew a love like this before
How it's burning inside me
I never knew a love like this before
How I wish she would know thisI never knew a love like this before
She's just killing me slowly
I never knew a love like this before
Oh, no, no, no, babeClosing my eyes, I just think to myself
Will this nightmare end
How many tears will I have to cry
Till her heart does changeBut I don't want to wait
I don't need to feel this way
I just made a big mistake, big mistake
Taking all her lies againI never knew a love like this before
How it's burning inside me
I never knew a love like this before
How I wish you would know thisI never knew a love like this before
She's just killing me slowly
I never knew a love like this before
Oh, no, no, no, babeNow she's gone
'Cause I'm letting her go
Now she's gone
Now I'm all alone
Now she's gone, awayI never knew a love like this before
How it's burning inside me
I never knew a love like this before
How I wish you would know thisI never knew a love like this before
She's just killing me slowly
I never knew a love like this before
Oh, no, no, no, babe(I never knew a love like this)
I never knew a love like this before
How it's burning inside me
(I never knew a love like this)

I never knew a love like this before
How I wish you would know this(I never knew a love like this)
I never knew a love like this before
She's just killing me slowly
(I never knew a love like this)
I never knew a love like this before
Oh, no, no, no, babe
