

River People

Gib Guilbeau

I'll take your crystal ball and make this crystal clear
That I won't stay back and I won't drown right here
I'll never wait, I'll make a million mistakes
But to be content is to be a disgrace
Restless, faceless, you've lost your mind
Faithless, tortured, you've lost your mind
They crawl in your head, they dig in your bones
If you let 'em, they won't let go
They have no hope, they have no soul
If you let 'em, they will take yours
It feels better on the other side
'Cause their grass is green and your grass is diseased
Every day drowns in lethargy
But to be content is to burn your way
Faithless, tortured, you've lost your mind
They crawl in your head, they dig in your bones
If you let 'em, they won't let go
They have no hope, they have no soul
If you let 'em, they will take yours
When you die, you want the world to remember you
For who you really are
And when you die, you want to love yourself
'Cause you'll be all alone
They crawl in your head, they dig in your bones
If you let 'em, they won't let go
They have no hope, they have no soul
If you let 'em, they will take yours
They crawl in your head, don't fear the unknown
'Cause you'll let the unknown take control
So let yourself go and let yourself grow
Don't you let 'em dig you a hole
Restless, faceless, you've lost your mind
Faithless, tortured, you've lost your mind
