

# Little Birdie

Debbie Gibson

VERSE1:

No little birdie came and sat upon my shoulder  
Sayin' girl you're gonna to marry this guy  
Nobody told me what I was supposed to look for  
When I looked and saw the love in your eyes  
And no one answered when I said the prayer before  
No one even knocked at the door  
'Til there was you

'Til there was youCHORUS:

Stopped crying the blues  
When he broke the news  
And said that he loved me  
No prayers in the night  
Don't know wrong from right

When he said that he loved meVERSE2:

No premonition didn't know what I was missin'  
Until my lover came and showed me the sun  
No fortune teller read it in my palm or in my eyes  
And I never believed in just one  
And no one answered when I said the prayer before  
No one even knocked at the door  
'Til there was you  
'Til there was youCHORUS
