Where the Heart Is

Prefab Sprout

Maybe other streets are wider
Than these narrow streets I know
Still you find here, ties that bind here
Where the heart isMaybe other lights are brighter
Than these streetlights row by row
All I know is, this is home it's
Where the heart isMaybe other grass is greener
And what if it is
I belong here, right or wrong here's
Where the heart isMaybe other grass is greener
And what if it is
We'll get by here, laugh and cry here
Where the heart is
We'll fly here, it's so high here
Where the heart is
