Run Away

Halo Friendlies

You never notice me
But you've got a lot to see
I know just just the thing you want or need
A love that lasts beyond the years
I won't let you down
I won't leave you alone at night
Or alone by day
Cause I don't want to be
I don't want to be alone
No no no
I don't want to go
I don't want to go aloneEverytime I see you
I can't find the words to say
I just want to turn and run away
I can't find the time or place
To say what I need to say
I just want to run away
I just want to runI wish the sweetest eyes
Would fall on me tonight
I want to steal your heart
I want to make it mine
And leave this all behind
And leave a legend of a love
I want to be the girl you need
When you're lost at sea
Do you want to be
Do you want to be alone?
No no no
Do you want to go
Do you want to go it alone
