Pauper

Better, you can not expect

All you are giving us for food is shit.
Donâ€™t go on TV to say how much you're rich.
Enter into my house: the stench of shit.
You donâ€™t fuck me with your salesman's pitch.

I'm a pauper,
if it means being against you.

Mess around with what belongs to all.
You preach, but a sinner must confess his fall.
You donâ€™t come and lecture me.
What it is good for a CL, it is bad for me.

But too many sheep bleat for you.
Too many people want to be like you.

I'm a pauper,
if it means being against you.

Should I be one of yours?!?
â€œIâ€™ll let you knowâ€•
Tell your mother how much youâ€™re an asshole!
