Footprints in the Sand

Leona Lewis

You walked with me
Footprints in the sand
And helped me understand
Where I'm goingYou walked with me
When I was all alone
With so much unknown
Along the wayI heard you say
I promise you
I'm always there
When your heart is filled with sorrow
And despairAnd I'll carry you
When you need a friend
You'll find my footprints in the sandI see my life
Flash across the sky
So many times have I
Been so afraid
And just when I
Thought I lost my way
You gave me strength to carry on
Thats when I heard you sayI promise you
I'm always there
When your heart is filled with sorrow and despairAnd I'll carry you
When you need a friend
You'll find my footprints in the sandWhen I'm weary
Well I know you'll be there
And I can feel you
When you sayI promise you
I'm always there
When your heart is filled with sadness and despairAnd I'll carry you
When you need a friend
You'll find my footprints in the sandWhen your heart is full of sadness and despairAnd I'll carry you
When you need a friend
You'll find my footprints in the sand
