

Osana VS Ayano

Michaela Laws

Osana

Oh look, it's you, the freak of the school
The one who thinks that stalking my Senpai is cool,
Listen up I only have one thing to say, Senpai could choose me over you any day,
I mean come on, you sneak around when you think no one sees you,
I'll let you in on a secret, we all know that you do.
Like Oh My God Yan-Chan, why can't you see? You'll never get Senpai, he belongs to me

Ayano

Every time you flap your lips is another brain cell fizzing out,
I swear on my Senpai, that I will knock you out!
You swing your hips and pout your lips and think your being sly,
When you're hiding precious feelings about loving Senpai.
Do you even really love him?
You don't act like you do, you whine all the time and place the spotlight on you,
"You always keep me waiting"
Yeah, that will get his love
I'd give him more affection than he could ever dream of~!

Osana

Ha! You squirm around when he's five feet away.
He tells me all the time: "She's acting kinda strange."
If you think I'll let you have him then you better think twice!
It doesn't take long before I stop being nice!

Ayano

Do you really think you scare me?
I know what keeps you up at night!
If you want to make this bloody I've been itching for a fight!
I'll tranq you and tie you to a chair and break your mind!
Or maybe I'll just stab you~
Yeah that'll be fine

Osana

You don't scare me

Ayano

I can though

Osana

Haha! What do you know?

Ayano

I know that you should probably keep an eye on your bento

Osana

What the-? It's poisoned?! That bento was for Senpai!

Ayano

I'll let you give him gifts when fat pigs fly

Osano

Senpai will never love you. You're weird and you're a freak!

Ayano

I don't think he'll complain, when he gets me in the sheets

Osana

Grrr! Ayano!

Ayano

Osana!

Osana

Know what? That's it! I'll put you in your place!

Ayano

Heh! Come at me bitch!
