

The Great Defenders

Lee Greenwood

Hot spots brewing in a foreign land
We count on you bein' there
24 hours around the clock
Protectin' us everywhere
The more I get around this world
The more I realize
That the greatest force found anywhere
Is right before my eyes(Go) Army, Navy, Air Force, Marines (Hooah!)
You're the greatest show of strength
This world has ever seen
Coast Guard, National Guard
Along with the Reserves
We salute our Nations best
Standing ready Proud to Serve
You're the Great Defenders of the U.S.A.
You're the Great Defenders, workin' while we play
Champions of freedom
This song goes out to you
You're the Great Defenders of the red, white and blue
There's pride when you display our colors
Keep your promise true
If someone messes with Old Glory
They have to answer to you
And the more I get around this world
The more I realize
That the greatest force found anywhere
Is right before my eyesArmy, Navy, Air Force, Marines (Hooah!)
You're the greatest show of strength
This world has ever seen
Coast Guard, National Guard
Along with the Reserves
We salute our Nations best
Standing ready Proud to Serve
You're the Great Defenders of the U.S.A.
You're the Great Defenders, workin' while we play
Champions of freedom
This song goes out to you
You're the Great Defenders of the red, white and blue
You're the Great Defenders of the U.S.A.

You're the Great Defenders of the U.S.A.
