

Troy

Northwind

I'll remember it
And Dublin in a rainstorm
And sitting in the long grass in summer
 Keeping warm
I'll remember it
 Every restless night
 We were so young then
 We thought that everything
We could possibly do were the right
 Then we moved
 Stolen from our very eyes
And I wondered where you went to
 Tell me when did the light die
 You will rise
 You'll return
 The phoenix from the flame
 You will learn
 You will rise
 You'll return
 Being what you are
 There is no other Troy
 For you to burn
And I never meant to hurt you
 I swear I didn't mean
 Those things I said
 I never meant to do that to you
Next time I'll keep my hands to myself instead
 Oh, does she love you
 What do you want to do?
 Does she need you like I do?
 Do you love her?
 Is she good for you?
 Does she hold you like I do?
 Do you want me?
 Should I leave?
I know you're always telling me
 That you love me
 Just sometimes I wonder
 If I should believe

Oh, I love you
God, I love you
I'd kill a dragon for you
I'll die
But I will rise
And I will return
The Phoenix from the flame
I have learned
I will rise
And you'll see me return
Being what I am
There is no other Troy
For me to burn
And you should've left the light on
You should've left the light on
Then I wouldn't have tried
And you'd never have known
And I wouldn't have pulled you tighter
No I wouldn't have pulled you close
I wouldn't have screamed
No I can't let you go
And the door wasn't closed
No I wouldn't have pulled you to me
No I wouldn't have kissed your face
You wouldn't have begged me to hold you
If we hadn't been there in the first place
Ah but I know you wanted me to be there oh oh
Every look that you threw told me so
But you should've left the light on
You should've left the light on
And the flames burned away
But you're still spitting fire
Make no difference what you say
You're still a liar
You're still a liar
You're still a lawyer
