

Give It Up

Angel Olsen

Hurts to be around you
I can't stand to hear your lying
Whenever you're beside me
A part of me is dying And every time I see you
I tell myself I'll never
Have this feeling with another
Oh, you're in my heart forever What is it you think I need
Everything
It's not true Give it all up for you
Give it all up for you Want to touch you
Show you how it feels
Whenever you're around
Take my time with you, my love You're the one I'm thinking of
You're the one I'm thinking of
You're the one I really love In my arms and fast asleep
In my arms and all my dreams
Where you are is where I want you
Where you are is where I want to
Where you are is where
I want to be
I want to be
I want to be
