## Poor Rich Ones

When I think of you  
I ponder all the things ah that we could do  
Like take-away some Chinese  
That's what we could do  
When I think of us  
And we'll make home brew  
And tell 100 strangers bout the two of us  
And I'll take the bus  
I want o sell my car off  
And your brand new bust  
Joined together at the hip  
How I wish we were Siamese  
(chorus) It's just you and me  
You and me  
Walking down the sunset strip  
It's just you and me  
(chorus)  
Let's buy a little boat and head out to sea  
You and me  
It's just you and me  
We'll live so happily  
The captain will marry us  
Till we're lost at sea  
(chorus)  
You and me you and me uh huh  
It's just you and me  
just you and me  
It's just you and me
