

Little Charmers Theme Song

Imitator Tots

Little Charmers are so sweet, got magic powers that can't be beat
Always in the mood to cast a spell, never really know if it will go well

Little Charmers oh so strong, trying so hard to do no wrong

Little Charmers sing along!

Go Lavender!

Go Posie!

Go Hazel!

sparkle up and wave your wand, always be ready for what's beyond

Little Charmers sing along!

Everyday is looking up cause, best friends never let you down

Our magic may not always be perfect, but when we're having fun it's all worth it!

Little Charmers! (giggle)
