

Panic

Anthrax

Move it to the front
Reaching for the light
Loosin' all control
Using all your might
Wheels are gonna spin
Asses gonna shake
We are gonna kick
Walls are gonna breakThe road is hard
The fight is tough
Gonna play it fast
She likes it rough
With my strength
With all my soul
Makin' love
I'm losing controlGuts begin to churn
Minds are in a haze
Hell is gonna burn
Axes in a blaze
Go in for the kill
Always on the run
Fighting for you life
The battle's never wonThe road is hard
The fight is tough
Gonna play it fast
She likes it rough
With my strength
With all my soul
Makin' love
I'm losing controlMove it to the front
Reaching for the light
Losin' all control
Using all your might
Wheels are gonna spin
Asses gonna shake
We are gonna kick
Walls are gonna breakBacks are turned
Rock an' roll
To the wall
I'm losing my mind

Yea!
Hey, hey!
