

# I Wished for You

# Jasmine Ash

You with your lion heart I see  
 You for all of the gifts I know you're giving  
 You with your looking glass so clean  
 Who's got you spun out to sea, spun out far from me I, I, I, I, I, I, I wished for you  
 For you  
 I wished for I, I, I, I, I, I, I wished for you  
 For you  
 My wish came true Blew out the sky to find your way  
 But instead all the stars they glitter just to fade  
 I try to find out what you need  
 But you are spun out to sea, spun out far from me I, I, I, I, I, I, I wished for you  
 For you  
 I wished for I, I, I, I, I, I, I wished for you  
 For you  
 My wish came true Even as our stars collide  
 I can't see you at all (all...)  
 And I'll wait 'til our stars align  
 I'd love you that long (long...) I, I, I, I, I, I, I wished for you  
 For you  
 I wished for I, I, I, I, I, I, I wished for you  
 My wish came true  
 I wished for I, I, I, I, I, I, I wished for you  
 My wish came true
