OKay (okay), OKay (okay), so im call you right back, Im gettin money right now.You see me bustin with my dogs, I'll post it on the wall, and all we do is ball, my money so tall! Im on the roof-top, you are looking at a Boss Bitch, un-binki must see ??????????????. My girl is a boss bitch, ??????. Likes to suck my sausage, till her jaws gettin so stiff.Ohhhhh She so fine, But she aint worth the time, cause time equals money and I got money on my mind.I'll see you later alligator, after while crocodile.

I'll call you right back, Im gettin' money right now. With rock-shows, and butt-holes and hotels where we go. Give her that slum game, now she go be low. My risks below zero, Im foul like the free-throw, just call me Carmelo, my chest blue and yellow. I keep me a bed bitch, yeah I know she fine, but she gets no time, cause I stay on the grind.I'll see you later alligator, after while crocodile.

I'll call you right back, Im gettin' money right now. Okay (okay), Okay (okay)I said I'll call you right back, im getting money right now.From the cars to bros, takin' bros to the mall, shawty we gunna beat it up, baby all we do is ball. OKay (okay), OKay (okay), so im call you right back, Im gettin money right now.
