Superstar

Cherish

I don?t have to take my hair out of my ponytail
Don?t have to change my style up or come out the clothes I wear
Because of you I?m able to get through the stormy weather
You know the words to say just to make my day go better
Anything that I do
I know I?ll always be beautiful to you
Thought I had all my senses but you gave me touch
Without you I wouldn?t know love
I know when I come home I?m your superstar
Even if no records were sold I?m your superstar
No matter the time I know always through your eyes
I?ll remain a superstar
No need to put on make up just cause you came around
Don?t have to hide my tears from you whenever I feel down
No one else makes me feel the way you do you?re so good to me
And I?m still alive and I know that that?s because of my baby
Anything that I do
I know I?ll always be beautiful to you
Thought I had all my senses but you gave me touch
Without you I wouldn?t know love

I know when I come home I?m your superstar
Even if no records were sold I?m your superstar
No matter the time I know always through your eyes
I?ll remain a superstar
I?ll give my heart, I give my heart, my soul, my all to you
And I promise to never leave you
I?ll give all my love to you
And promise to stand by you forever and ever
Anything that I do
I know I?ll always be beautiful to you
Thought I had all my senses but you gave me touch
Without you I wouldn?t know love
I know when I come home I?m your superstar
Even if no records were sold I?m your superstar
No matter the time I know always through your eyes
I?ll remain a superstar
I know when I come home I?m your superstar
Even if no records were sold I?m your superstar

No matter the time I know always through your eyes
I?ll remain a superstar
