

Friends of Mine

Duran Duran

Advisory - the following lyrics contain explicit language:

Friends of mine
They said they were friends of mine
Said they were passing time
More like a waste of time Close the door
I said, "Close the door"
I've told you twice before
What are you waiting for? Georgie Davies is coming out
No more heroes, we twist and shout
Oh no, not me, I'm not too late
And I know that I'm not taking anymore Rocky Picture has lost his gun
Leave him out now, he's having fun
Oh no, not me, I'm not too late
And I know that I'm not waiting any more, hey, hey [Incomprehensible]
Don't have to advertise
When will you realize?
I'm sick of you alibis Running cold
The water's running cold
I think it's time you were told
I think you're growing old Georgie Davies is coming out
No more heroes, we twist and shout
Oh no, not me, I'm not too late
And I know that I'm not waiting anymore Rocky Picture has lost his gun
Leave him out now, he's having fun
Oh no, not me, I'm not too late
And I know that I'm not taking any more, hey, hey [Incomprehensible]
Pictures on the wall
Friends of yours
See them sell your alibi
[Incomprehensible]
Think yourself lucky Friends of mine
They said they were friends of mine
They were just wasting time

[Incomprehensible] on the dotted line [Incomprehensible] gone
I've known that all night long
Why don't you say I'm gone?
Why don't they drop a bomb? 'Cause Georgie Davies is coming out
No more heroes, we twist and shout
Oh no, not me, I'm not too late
And I know that I'm not waiting anymore Rocky Picture's thrown away his gun
Leave him out now, he's having fun
Oh no, not me, I'm not too late
And I know that I'm not taking any more What you doing, friends of mine
Holding back now, friends of mine
I've always heard you calling
