

Control (Ft. Nick Nikon)

OVERWERK

No pressure, no diamonds.
Volcanoes keep on making these islands.
No peace without violence.
These hard times make me a giant.
No light, no darkness.
Dark times make me shine the brightest.
Mind over matter.
Mind over matter No pressure, no diamonds.
Volcanoes keep on making these islands.
No peace without violence.
These hard times make me a giant.
No light, no darkness.
Dark times make me shine the brightest.
Mind over matter.
Mind over matter Mind Over Matter.
