

# Snowblind

Ozzy Osbourne

What you get and what you see  
Things that don't come easily  
Feeling happy in my vein  
Iceicles within my brainSomething blowing in my head  
Winter's ice, it soon will spread  
Death would freeze my very soul  
Makes me happy, makes me coldMy eyes are blind but I can see  
The snowflakes glisten on the tree  
The sun no longer sets me free  
I feel there's no place freezing meLet the winter sun shine on  
Let me feel the frost of dawn  
Fill my dreams with flakes of snow  
Soon I'll feel the chilling glowDon't you think I know what I'm doing  
Don't tell me that it's doing me wrong  
You're the one who's really a loser  
This is where I feel I belongCrystal world with winter flowers  
Turns my day to frozen hours  
Lying snowblind in the sun  
Will my ice age ever come?
