CRITICAL

Digi G'Alessio

If the time is near
Then fine, I've been waitin' patiently for years
Fought lines in my mind
I'm more unstable than I fear
And I don't know, just take my hand
It's time to go
So just enjoy your blue moon, it'll be over soon
So we might as well have some fun
Right?
It's getting critical
Takes a minute for it to set in
I'm unpredictable
And I'm dyin' just tryin' to feel alive again
If the time is near
Don't cry, look me in the eyes and dry your tears
Have a seat right here
While Los Angeles disappears
And I don't know, just take my hand
It's time to go
So just enjoy your blue moon, if we're gonna die soon
Then we might as well have some fun
Right?
It's getting critical
Takes a minute for it set in

I'm unpredictable
And I'm dyin' just tryin' to feel alive again
It's getting critical
Takes a minute for it set in
I'm unpredictable
And I'm dyin' just tryin' to feel alive again
The clouds surround us, the light leaves us alone
And the sky falls in your hand
Embrace the moment 'cause now we're headin' home
It couldn't be a sweeter end
It's getting critical
Takes a minute for it set in
I'm unpredictable
And I'm dyin' just tryin' to feel alive again

The clouds surround us, the light leaves us alone
(It's getting critical)
And the sky falls in your hand
(Takes a minute for it set in)
Embrace the moment 'cause now we're headin' home
(I'm unpredictable)
It couldn't be a sweeter end
(And I'm dyin' just tryin' to feel alive again)
