

College Girl

Waka Flocka Flame

Chorus

I got me a college girl
She is the best girl in the world
She loves to take shots with the homie
She never leave me lonely
She's my one and only
College girl
I got me a college girl
College girl I love to romance her
I remember when I went to pick her up for some Savannah
She used to go to George state she used to be a Panther
Get her in the bed she scratched a n----r like a panther
And she takes shots with the homies
Her favorite food is pizza so she loves the peperonis

AKA

so she's a sexy tenderoni
I don't f--k with other b-----s
cause them other h--s be fonie
Got a good head on her shoulders
Together we'll grow older
She's a modest girl
But until she graduates she's a college girl

Chorus

I got me a college girl
She's the best girl in the world
She loves to take shots with the homie
She never leave me lonely
She is my one and only
College girl
I got to meet a college girl
I got a college lady
Born in the 80s
She's a Grady baby
Graduate from Grady
But that's in high school
She's in Howard now
And she's so far away
I'm sending flowers now
And every time she visit

You know we are hanging out
And when I am not around
I'm who she thinks about
And that's my Howard girl
Check out my Spelman girl
And shorty freak me real good

You better tell them girl
No overnight visitations
So I am sneaking in
And when I'm beating it
Her roommates keep on peeking in
Class at eight
So i can't stay late
So at six in the morning ima skate
Gone

Oooh College College is where she wants to be
Fortune and fame that dont even matter
I made it to the top and put my baby on a ladder
Smoking and drinking
Just me and my baby
When im on the road i be thinking bout my baby
Distant lover
So many miles away
I wish she would've never ever moved away
I got a shorty at UGA
Shorties at Georgia State

Shorty in Jamaica but noone can take her place
I love college
(i love college)
And college girls
(college girls)
So shout out to my colleges all around the world
What you talking bout
Clark Atlanta
(wassup)
In Savannah
(wassup)
Georgia Southern
(wassup)
She say Gordon
(wassup)
Howard and Albany f--k with all my ladies
All you college girls have got me going crazy
chorus

I got me a college girl
She is the best girl in the world
She loves to take shots with the homie
She never leave me lonely
She is my one and only
College girl
I got me a college girl
