

# Don't Leave Me Alone

## Alcazar

Leave me alone  
Can't you see I can't stop crying?  
I get down on my knees  
I'll be begging you please  
Don't leave me alone Leave me alone  
Don't leave me alone  
Leave me alone  
Don't leave me alone Last night we were celebrating  
You played truth or dare  
I came out hallucinating  
And love was in the air We met down in club land  
We had an affair  
We danced in the spotlight  
The fire was there You said, I'm the only  
Then walked out of town  
I beg you  
Please don't turn around Leave me alone  
Can't you see I can't stop crying?  
I get down on my knees  
I'll be begging you please  
Don't leave me alone Leave me alone  
Can't you see I can't stop crying?  
If you walk out that door  
I can't stand it no more  
Don't leave me alone Sitting through this courtroom drama  
Of who did what to whom  
Stand accused of cold seduction  
The cameras ready zoom You said, there was more  
That your love was for real  
You said, you'd come back  
For my heartache to heal I stand on a bridge  
And I'm ready to fly  
This time  
It's my last goodbye Leave me alone  
Can't you see I can't stop crying?  
I get down on my knees  
I'll be begging you please  
Don't leave me alone Leave me alone  
Can't you see I can't stop crying?

If you walk out that door  
I can't stand it no more  
Don't leave me aloneLeave me alone  
Can't you see I can't stop crying?  
I get down on my knees  
I'll be begging you please  
Don't leave me alone  
Leave me aloneWe met down in club land  
We had an affair  
We danced in the spotlight  
The fire was thereYou said, I'm the only  
Then walked out of town  
I beg you  
Please don't turn aroundYou said, there was more  
That your love was for real  
You said, you'd come back  
For my heartache to healI stand on a bridge  
And I'm ready to fly  
This time  
It's my last goodbyeLeave me alone  
Can't you see I can't stop crying?  
I get down on my knees  
I'll be begging you please  
Don't leave me aloneLeave me alone  
Can't you see I can't stop crying?  
If you walk out that door  
I can't stand it no more  
Don't leave me alone
