

# For The First Time

Kenny Loggins

Are those your eyes?  
Is that your smile?  
I've been lookin' at you forever  
Yet I never saw you before  
Are these your hands  
Holdin' mine?  
Now I wonder how  
I could've been so blind  
For the first time  
I am looking in your eyes  
For the first time  
I'm seein' who you are  
I can't believe how much I see  
When you're lookin' back at me  
Now I understand what love is  
Love is for the first time  
Can this be real?  
Can this be true?  
Am I the person I was this morning?  
And are you the same you?  
It's all so strange  
How can it be?  
All along this love  
Was right in front of me  
For the first time  
I am looking in your eyes  
For the first time  
I'm seein' who you are  
I can't believe how much I see  
When you're lookin' back at me  
Now I understand what love is  
Love is for the first time  
Such a long time ago  
I had given up on findin'  
This emotion ever again  
But you're here with me now  
Yes, I've found you some how  
And I've never been so sure  
And for the first time

I am looking in your eyes  
For the first time  
I'm seein' who you are  
I can't believe how much I see  
When you're lookin' back at me  
Now I understand what love is  
Love is for the first time
