

# Wild Child (Grabo'sky Edit)

## The Doors

All right Wild child full of grace  
Savior of the human race  
Your cool face Natural child, terrible child  
Not your mother's or your father's child  
Your our child, screamin' wild An ancient rulage of grains  
And the trees of the night  
Ha, ha, ha, ha With hunger at her heels  
Freedom in her eyes  
She dances on her knees  
Pirate prince at her side  
Stirrin' into a hollow idols eyes Wild child full of grace  
Savior of the human race  
Your cool face  
Your cool face  
Your cool face  
Do you remember  
When we were in Africa
