

Elastic Heart (Feat. The Weeknd)

[Sia](#)

And another one bites the dust
Oh why can I not conquer love
And I might have thought that we were one
Wanted to fight this war without weapons And I wanted it, I wanted it bad
But there were so many red flags
Now another one bites the dust
Yeah let's be clear, I'll trust no one [Pre-Chorus]
You did not break me
I'm still fighting for peace [Chorus]
I've got thick skin and an elastic heart
But your blade it might be too sharp
I'm like a rubberband until you pull too hard
I may snap and I move fast
But you won't see me fall apart
'Cos I've got an elastic heart And I will stay up through the night
Let's be clear, won't close my eyes
And I know that I can survive
I'll walk through fire to save my life And I want it, I want my life so bad
I'm doing everything I can
Then another one bites the dust
It's hard to lose a chosen one [Pre-Chorus]
You did not break me
I'm still fighting for peace [Chorus]
I've got thick skin and an elastic heart
But your blade it might be too sharp
I'm like a rubberband until you pull too hard
I may snap and I move fast
But you won't see me fall apart
'Cos I've got an elastic heart
