Find Another Girl

Jerry Butler

Find yourself another girl
Who will love you true true true.
Find yourself another girl
Save all her love and kisses just for you
Save all her love and kisses just for you

The very first time I fell in love
Got my heart broken
Then people would say when I passed their way
"there's a hot young man going there going there"
"An unhappy lad going there."
Well one day my mother called me to here side Said son "why you so blue".
"Mother I lost the girl that I love
Why won't you tell me what to do"
Mother won't you tell me what to do?
Well she said find yourself another girl
Who will love you true true true
Find yourself another girl.

Save all her love and kisses just for you
Save all her love and kisses just for you
I can imagine how you feel my son
But throw it out of your mind
I'm gonna tell kinda truthfully
True love is hard to find
Sometimes its kinda hard to find.
But forget about that girl that broke your heart And try start a new
For if there was a guy for her
There's got to be a girl somewhere for you
There's got to be a girl somewhere for you

You just go on and find yourself another girl
Who will love you true true true.
Find yourself another girl
Save all her love and kisses just for you
Save all her love and kisses just for you

Save all her love for no one but you.
Oh another love
Oh another love

Oh another love
Save her love and kissses just for you.
