As the World Fell

Entombed A.D.

Toxic fire fuming oil
Poisoned water sour soil
Raging thunders death knell
It is the sound of heaven gone to hellLife on earth farewell
Heaven gone to hell
In the black we dwell
Sound Doomsday bellThrough the maze of our abuse
In the trenches burning fuse
From the district truckloads dead
Put them on display with severed heads
Heaven gone to hellLife on earth farewell
Heaven gone to hell
In the black we dwell
Sound doomsday bell
No one would foretell
We could crack the shell
Heaven gone to hell
As the world fellYou so called savior
Total failure
One Lost redeemer
Such mediocre dreamer
Cracked the shell
As the world fell
Heaven blown to hell
Life on earth farewell
Sound doomsday bell
Life on earth farewell
As the world fell
Heaven gone to hell
Sound doomsday bell
