How I Roll (Prince Fox Remix)

Charlie Mars

Oh no
Look in the mirror
Its 5.0
I shouldn't a smoked so much weed
I shoudn't a done so much blow
Oh don't you know sometimes
That's how I roll

Oh no
Look in the mirror
It's a stranger looking back at me
Room to room on the titanic rocking the high seas
Oh don't you know sometimes

That the pressure gets too much
And I hear the siren's call
Saying maybe just one more time
Maybe just one more time
That's how I roll

My father always said to never say never
So I'll never say never again
