Bottle blondes and beach boys
Might marvel at the size
But honey something that big
You now the best don't advertiseHas no one ever told you
You gotta body build to last
But with that 15 storey dead stop
You're going nowhere, and fast10-20-30-40, 15 storey halo

10-20-30-40, 7 miles wide, 7 miles wideAsk a judge and jury
Joe find me 12 just men
We're gonna bottle up their fury
Make sure it don't happen againAll the rebel boys got payrolled
