

# 15 Storey Halo

## ABC

Bottle blondes and beach boys  
Might marvel at the size  
But honey something that big  
You now the best don't advertise Has no one ever told you  
You gotta body build to last  
But with that 15 storey dead stop  
You're going nowhere, and fast 10-20-30-40, 15 storey halo  
10-20-30-40, 15 storeys high  
10-20-30-40, 15 storey halo  
10-20-30-40, 7 miles wide, 7 miles wide Ask a judge and jury  
Joe find me 12 just men  
We're gonna bottle up their fury  
Make sure it don't happen again All the rebel boys got payrolled  
Now they're queuing outside the bank  
Like 14 carat Playboys  
On a trans cool trans world tramp 10-20-30-40, 15 storey halo  
10-20-30-40, 15 storeys high  
10-20-30-40, 15 storey halo  
10-20-30-40, 7 miles wide, 7 miles wide And so you meet this guy  
A regular gala had  
A real house trained barbarian  
And so you drop him, like a bad habit  
Anything that comes along  
You grab it, you grab it 10-20-30-40  
10-20-30-40  
10-20-30-40  
15 storey halo Yes we're all waiting  
For the saving grace  
Hands that soothe  
Hands that smoothe the human race Oh, we're all waiting  
For a saving grace  
Hands that soothe  
Hands that smoothe the human race Yes we're all waiting  
For the saving grace  
Hands that soothe  
Hands that smoothe the human race 15 storey halo  
15 storey halo  
15 storey halo
