Vanity

Ladyhawke

Vanity, vanity, vanity, yeah yeah yeah
Vanity, vanity, vanity, yeah yeah yeah yeahIn the Winter, if you listen
You can hear my heart beating faster
Its another cold December
Feeling homesick, waiting for Summer time'Cause you know I am lone haves
Vanity, yeah yeah yeah yeah
Self-destruction, self-obsession
Vanity, yeah yeah yeah yeahVanity, vanity, vanity, yeah yeah
Vanity, vanity, yeah yeah yeah yeah
Vanity, vanity, vanity, yeah yeah
Vanity, vanity, yeah yeah yeah yeahAfter midnight, when Im anxious
Close the room, is all closing in on me
You were always right beside me
Help in silence my insecurity'Cause you know I am lone haves
Vanity, yeah yeah yeah yeah
Self-destruction, self-obsession
Vanity, yeah yeah yeah yeahVanity, vanity, vanity, yeah yeah
Vanity, vanity, yeah yeah yeah yeah
Vanity, vanity, vanity, yeah yeah
Vanity, vanity, yeah yeah yeah yeah'Cause you know I am lone haves
Vanity, yeah yeah yeah yeah
Self-destruction, self-obsession
Vanity, yeah yeah yeah yeahVanity, vanity, vanity, yeah yeah
Vanity, vanity, yeah yeah yeah yeah
Vanity, vanity, vanity, yeah yeah
Vanity, vanity, yeah yeah yeah yeahVanity, vanity, vanity, yeah yeah
Vanity, vanity, yeah yeah yeah yeah
